**ALICIA BANIT**

Alicia is perhaps best known to audiences as the vivacious and witty Kat on ABC's hit teen series *Dance Academy*, which continued with feature film success in 2017's *Dance Academy: The Movie*. She also appeared in the 2017 feature *We Were Tomorrow*.

She currently plays the recurring role of Karlie in Screentime/Channel Ten's *Playing for Keeps* and, earlier this year, she played Chloe Lattanzi in Fremantle's *Olivia Newton John: Hopelessly Devoted to You*.

First shooting to public attention as one of Ja'mie's friends in Chris Lilley's hugely successful *Summer Heights High* for ABC TV, Alicia went on to film four series of Disney Australia's *As the Bell Rings* in a role that showcased her comedic skills beautifully.

Alicia has worked professionally since a very young age, making her feature film debut in *The Dead Letter Office*. Early TV credits include *Halifax f.p.*, *Rove Live*, *In Melbourne Tonight* and a recurring role in *Neighbours*. She played the recurring role of Leah in the critically acclaimed series *Tangle* and has also appeared in *Rush*, *Upper Middle Bogan* and *Trip for Biscuits*.
