AUTIAK AWETEEK

In his first television role, Autiak played the key role of Santino Dut in SBS mini-series *Sunshine*, from director Daina Reid (Offspring, Paper Giants, INXS Never Tear Us Apart) and following the aspirations of a promising young basketballer who dreams of playing professionally in America.

After receiving some fantastic reviews from cast and crew on set, Autiak was cast in Stan's award-winning *Romper Stomper*, in the role of Jonathon.

His other artistic talent is writing and performing rap music, which he does as much as possible in his spare time.

Autiak was born in Sudan and moved to Melbourne when he was seven.
